

MONARCH MAGNET

Plant it.
Watch the life cycle happen.
Be part of the migration story!

Our Monarch Magnet Garden Box is designed to do one powerful thing: support the full life cycle of monarch butterflies while creating a show-stopping, low-water Texas native garden you'll love looking at every day!

Inside this box is a carefully curated collection of native plants that monarchs depend on—milkweeds for caterpillars, plus nectar-rich bloomers that fuel adults from spring through fall. It's everything they need, in one perfectly planned planting.

You're not just planting Texas native flowers. You're planting a pollinator nursery, a fueling station, and a safe haven.

THE PLANTS

- Green Milkweed (*Asclepias viridis*) (3)
- Antelope Horn Milkweed (*Asclepias asperula*) (3)
- White Mistflower (*Ageratina havanensis*) (2)
- Autumn Sage (*Salvia greggii*) (3)
- Mealy Blue Sage (*Salvia farinacea*) (3)
- Gregg's Mistflower (*Conoclinium greggii*) (2)
- Flame Acanthus (*Anisacanthus quadrifidus* var. *wrightii*)
- Texas Lantana (*Lantana urticoides*) (2)
- Tall Goldenrod (*Solidago nemoralis*) (3)
- Gulf Blazing Star (*Liatris mucronata*) (2)

THE DETAILS

- 24 starter plants, 10 different varieties in 3-inch pots
- Boxed gardens are 2 ft. x 1 ft. in size, they will easily fit in your vehicle
- 3 plant by number layout options (5' x 25' rectangle, 16' x 16' triangle and circle)
- Covers: up to 125 sq. ft
- Mature Height: .5 to 4 ft.
- Exposure: Full Sun to Part Sun
- Duration: Colorful blooms from Spring to Fall
- Benefits: Add beautiful color and texture to your landscape in addition to feeding butterflies.

Turn your garden into a
Monarch butterfly sanctuary.

MONARCH MAGNET

GREEN MILKWEED
ASCLEPIAS VIRIDIS

| | | | |
|--------------------|---|--------------------|----------------|
| Plant Type: | Perennial Wildflower | Plant Spread: | 1-1.5 ft |
| Mature Height: | 1-2 ft | Flower Color: | Greenish White |
| Bloom Time: | Spring - Early Summer | Water Requirement: | Low |
| Light Requirement: | Full Sun to Part Sun | | |
| Description: | Critical monarch host plant with striking star-shaped blooms. Extremely drought tolerant and prairie tough. | | |

ANTELOPE HORN MILKWEED
ASCLEPIAS ASPERULA

| | | | |
|--------------------|--|--------------------|--------------|
| Plant Type: | Perennial Wildflower | Plant Spread: | 1-2 ft |
| Mature Height: | 1-2 ft | Flower Color: | Cream, Green |
| Bloom Time: | Spring | Water Requirement: | Low |
| Light Requirement: | Full Sun | | |
| Description: | Early-blooming monarch host with unique curved seed pods. Thrives in hot, dry areas. | | |

WHITE MISTFLOWER
AGERATINA HAVANENSIS

| | | | |
|--------------------|---|--------------------|--------|
| Plant Type: | Perennial Shrub | Plant Spread: | 2-3 ft |
| Mature Height: | 2-3 ft | Flower Color: | White |
| Bloom Time: | Fall | Water Requirement: | Low |
| Light Requirement: | Full Sun to Part Shade | | |
| Description: | Airy fall bloomer that lights up the garden and feeds migrating butterflies late in the season. | | |

MONARCH MAGNET

AUTUMN SAGE
SALVIA GREGGII

| | | | |
|--------------------|---|--------------------|--------|
| Plant Type: | Woody Perennial Shrub | Plant Spread: | 2-3 ft |
| Mature Height: | 2-3 ft | Flower Color: | Pink |
| Bloom Time: | Spring - Fall | Water Requirement: | Low |
| Light Requirement: | Full Sun to Part Sun | | |
| Description: | Long-blooming, heat-loving salvia that butterflies and hummingbirds adore. Excellent in xeriscapes. | | |

MEALY BLUE SAGE
SALVIA FARINACEA

| | | | |
|--------------------|---|--------------------|----------|
| Plant Type: | Perennial Wildflower | Plant Spread: | 1.5-2 ft |
| Mature Height: | 2-3 ft | Flower Color: | Blue |
| Bloom Time: | Late Spring - Fall | Water Requirement: | Low |
| Light Requirement: | Full Sun to Part Sun | | |
| Description: | Reliable, long-blooming color. Great for adding color and pollinator activity all season. | | |

GREGG'S MISTFLOWER
CONOCLINIUM GREGGII

| | | | |
|--------------------|--|--------------------|----------|
| Plant Type: | Spreading Perennial | Plant Spread: | 3-4 ft |
| Mature Height: | 1-2 ft | Flower Color: | Lavender |
| Bloom Time: | Late Summer - Fall | Water Requirement: | Low |
| Light Requirement: | Full Sun - Part Shade | | |
| Description: | Vigorous spreader covered in nectar-rich blooms. Butterfly magnet in fall. | | |

MONARCH MAGNET

FLAME ACANTHUS
ANISACANTHUS QUADRIFIDUS VAR. *WRIGHTII*

| | | | |
|--------------------|--|--------------------|--------------|
| Plant Type: | Deciduous Shrub | Plant Spread: | 3-4 ft |
| Mature Height: | 3-5 ft | Flower Color: | Orange - Red |
| Bloom Time: | Summer - Fall | Water Requirement: | Low |
| Light Requirement: | Full Sun to Part Sun | | |
| Description: | Tough shrub with bright tubular blooms that butterflies and hummingbirds can't resist. Loves heat and poor soil. | | |

TEXAS LANTANA
LANTANA URTICOIDES

| | | | |
|--------------------|---|--------------------|---------------|
| Plant Type: | Perennial Shrub | Plant Spread: | 3-6 ft |
| Mature Height: | 3-5 ft | Flower Color: | Orange/Yellow |
| Bloom Time: | Spring - Early Summer | Water Requirement: | Low |
| Light Requirement: | Full Sun to Part Sun | | |
| Description: | Hardy native lantana with nonstop blooms and exceptional drought tolerance. Great for nectar source for many pollinators. | | |

TALL GOLDENROD
SOLIDAGO NEMORALIS

| | | | |
|--------------------|--|--------------------|---------------|
| Plant Type: | Perennial Wildflower | Plant Spread: | 1-2 ft |
| Mature Height: | 1-2 ft | Flower Color: | Golden Yellow |
| Bloom Time: | Late Summer - Fall | Water Requirement: | Low |
| Light Requirement: | Full Sun to Part Sun | | |
| Description: | Compact goldenrod that fuels pollinators in fall. Not a cause of allergies. Excellent prairie plant. | | |

MONARCH MAGNET

GULF BLAZING STAR
LIATRIS MUCRONATA

| | | | |
|--------------------|---|--------------------|----------|
| Plant Type: | Perennial Wildflower | Plant Spread: | 1-1.5 ft |
| Mature Height: | 2-4 ft | Flower Color: | Purple |
| Bloom Time: | Late Summer - Fall | Water Requirement: | Low |
| Light Requirement: | Full Sun to Part Sun | | |
| Description: | Vertical spikes of purple flowers covered in butterflies and native bees during late season as Monarchs migrate South | | |
